

***Thank You for your generous fundraising support!***

At Fowler's, we are all lovers of quality chocolate. And that is why we are single-mindedly dedicated to producing the very finest chocolate we can.

We begin with an extremely high grade of chocolate. We use only the freshest, high quality ingredients. Each of our chocolate products is produced and packaged by hand. We do not use oil- based chocolate, fillers, or substitutions. And because our production facilities are right here in Buffalo, NY, our chocolates are as fresh as can be.

We sincerely appreciate your generous fundraising support, and hope you enjoy these delicious chocolates that bear our name. **Thank You!**
